Afterwards, we will travel to the historic colonial city of San Cristóbal de Las Casas, located 2,300 meters above sea level and founded in 1528 by Captain Diego de Mazariegos. This city has been declared a World Cultural Heritage site and is home to a rich history and tradition. Day 2. San Cristóbal de Las Casas - Cascadas de Agua Azul - Misol-Ha - Zona Arqueológica Palenque

Upon waking up early in the morning, we will embark on an epic journey to Palenque, with a stop at the breathtaking Agua Azul waterfalls. There, you can immerse yourself in its crystal-clear waters and enjoy the natural beauty of its different areas. We will continue our adventure to the majestic Misol-Há waterfalls, with its imposing height of 30 meters and surrounded by lush tropical jungle.

We will depart from the city of Palenque towards the Lacanjá camp, where we will have breakfast en route. Once we arrive at the camp, we will embark on an exciting rafting descent along the Lacanjá River. Despite not having rapids, this journey is spectacular thanks to the waterfalls and pools we will encounter along the way, as well as the lush vegetation of the tropical jungle.

During the trip, we will also have the opportunity to visit Mayan archaeological sites, and with luck, we may spot some jungle animals.

After finishing the descent, we will return to the camp to enjoy a meal (set menu, beverages not included). In the afternoon, we will transfer to the city of Palenque to rest and recharge.

Day 4. Palenque - Museo La Venta - Villahermosa

After breakfast, we head to Villahermosa with great enthusiasm to visit the "La Venta" Museum, a place full of history and beauty. It houses one of the most impressive collections of Olmec artifacts, divided into four categories: altars, stelae, sculptures, and colossal heads. Each piece is a masterpiece of pre-Columbian culture that transports us to an ancient world full of mysteries and wisdom.
