Day 1. Aeropuerto Mérida - City Tour

Reception at Manuel Crescencio Rejón Airport.

Transfer to the hotel.

Meeting at the Carnavalito offices.

Later, we will visit the beautiful "White City," home to great jewels of Yucatán: the elegant Paseo Montejo, the ancient Cathedral, the Regional Museum of Anthropology, and the best restaurants to taste cochinita pibil, queso relleno, and papadzules. We will explore the most emblematic spots aboard the "Carnavalito" (a typical truck for city tours). The rest of the afternoon is free. Return to the hotel at passengers' expense.

Overnight in Mérida.

Day 2. Mérida - Chichen Itza - Mérida

Breakfast at the hotel.

Transfer to the famous ruins of Chichén Itzá, which means "Mouth of the Well of the Water Sorcerers" in the Mayan language. It was the most important city between the years 900 and 1300 AD. The most famous building is the Temple of Kukulcán or "El Castillo," which, along with the Temple of Warriors, the ball game court, the astronomical observatory, and the complex of the nuns, showcases the ceremonial character of the city. During the spring equinox (March 21) and the autumn equinox (September 21), a light and shadow effect projects a serpent descending on the northern staircase of the Castillo, symbolizing the call to agricultural tasks before the rainy season.

Return to Mérida.

Day 3. Mérida - Celestún - Mérida

Breakfast at the hotel.

Afterward, we will travel 109 km to Celestún, a Biosphere Reserve located in a coastal wetland corridor with the best conservation in the western part of the peninsula: mangroves, dunes, petenes, low jungle, and grasslands that protect natural evolutionary processes.

Here, the most exotic species of the Yucatan geography coexist. More than 300 bird species have been recorded, with the beautiful pink flamingo standing out. We will venture into the mangrove trails by boat to discover this special ecosystem with its unique balance.

Later, we will return to Mérida.

Overnight in Mérida.

Day 4. Mérida - Aeropuerto de Mérida
